NOW OFFERING EMS Education

EMS Career

Have you ever passed an emergency scene and said to yourself "I'd like to be a part of that" then this is the career for you. Emergency Medical Technician-Basic is the first step into a career in EMS.

Ira Township Fire Department is proud to announce we will be offering a State of Michigan approved EMT-Basic class where you can learn what it takes to become a state licensed EMT.

In just 6 short months you will be certified and able to test for a Michigan license as an EMT-Basic.

Welcome!

Ira Township Fire has taken on the responsibility of developing these comprehensive EMS programs to meet your education needs.

Program Staff

Ira Fire boasts faculty with a broad knowledge base, varied backgrounds, multiple years of field experience as well as educational experience. The combination of professional educators and field personnel make the programs both unique and well suited to prepare the student for future practice.
